Dear user,

Thank you for choosing Redragon, Inc. To ensure your right and better customer service, we ask that you carefully read the following:

While Redragon products are highly reliable and tested by quality control, the number of factors, such as human error, natural disasters, and chance, that influence the product's lifespan makes it reasonable to require a warranty service. Therefore, we express the limitations of liability for natural disasters and uncontrolled factors such as the product's lifespan.

1. Unauthorized changes are not covered by service terms.
2. Unauthorized repairs by other manufacturers are not covered by service terms.
