Dear user

Thank you for choosing Redragon brand. To protect your rights and for better customer service, we ask that you note our warranty rules.

1. Within 18 months of purchase date, repair is guaranteed for failure due to electrical circuit problems. Man-made damages, such as disassembly, hard impacts, submersion into water, plugging into improper current or voltage, and damage caused by natural disasters such as fire, flood, or earthquake are not included.

2. Consumable parts (such as foot pads) and spare parts replacement are not included in our warranty.
